Re: Lot 8 and South 21 feet of Lot 7  
McKinnieville Addition  
Northwest Corner Calhoun and Fleming

Gentlemen:

On behalf of the Sherwood to Pettit <sup>CIVIC</sup> Community Association, which has concurrently filed its petition in opposition to the re-zoning of the above real estate, we are herewith setting forth the principal reasons for opposing this change in the Zoning Ordinance:

1. The granting of this amendment petition would contradict the principle of proper land use that requires zones being contiguous where there is a minimum of conflict; in other words, it would constitute "spot zoning."

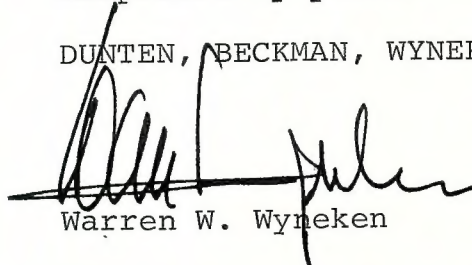

2. The Board of Zoning Appeals recognized the intrusion into an R-1 District when it granted a non-conforming contingent use on June 23, 1959 under Case No. 215-1959-Z. Non-use as a physician's office for the past 18 months has now made this contingent use void.

3. With very minor exceptions, the neighborhood in every direction is made up of high quality single-family dwellings. Drastic devaluation to many of these would be caused by a change in the present classification.

4. The present owner is not denied the fair use of his land. It is very likely that a contingent use, with limitations, would not be objectionable.

Respectfully yours,

DUNTEN, BECKMAN, WYNEKEN & LAWSON

LAFAYETTE PLACE COMMUNITY ASSOCIATION

Fort Wayne, Indiana

November 17, 1969

City of Fort Wayne  
City Plan Commission  
425 South Calhoun Street  
Fort Wayne, Indiana 46802

Dear Members of the City Plan Commission:

Regarding the public hearing to be held on the evening of November 17, 1969, relative to a proposed amendment to the Fort Wayne Zoning Ordinance which would change the zoning of the following described real estate from a "R-1" District (one-family residential) to a "R-3" District (multi-family residential):

Lot 8 and the south 21' of Lot 7  
in McKinnievillle Add., located at  
the northwest corner of Calhoun St.  
and Fleming Ave.

Please be advised that the Executive Committee of the Board of Directors of Lafayette Place Community Association has adopted a resolution in opposition to such proposed re-zoning.

Although the real estate involved is located on the west side of Calhoun Street, it was the collective opinion of the Executive Committee that the re-zoning of such real estate would adversely affect Lafayette Place Addition, (in excess of four hundred family residences) which is situated directly east of the captioned real estate.

Therefore, for the reason that such proposal would constitute a "spot" zoning, that the residences adjacent to such area on the east side of Calhoun Street would be reduced in value, etc; it is respectfully requested that such proposed zoning amendment be denied.
